# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

#### 1. General information

AIA Wealth Funds (the "Fund") is an umbrella unit trust established under the laws of Hong Kong, by a Trust Deed dated 6 April 2020, between AIA Investment Management HK Limited (the "Manager") as manager and AIA Company (Trustee) Limited (the "Trustee") as trustee.

As at 30 June 2023, the following sub-funds (each a separate sub-fund of the Fund and referred to individually or collectively as the "Sub-Fund(s)") have been established under the Fund:

AIA Asia (ex Japan) Equity Fund AIA China Equity Fund AIA Greater China Equity Fund AIA Corporate Bond Fund AIA Government Bond Fund

All of the above Sub-Funds have been authorised by the Securities and Futures Commission of Hong Kong (the "SFC") pursuant to section 104(1) of the Securities and Futures Ordinance. The following summarizes the commencement date of each Sub-Fund:

	<u>Date of commencement</u>
Name of Sub-Funds	of operations
AIA Asia (ex Japan) Equity Fund	20 August 2020
AIA China Equity Fund	20 August 2020
AIA Greater China Equity Fund	20 August 2020
AIA Corporate Bond Fund	20 October 2020
AIA Government Bond Fund	5 January 2021

These financial statements relate to the above-mentioned Sub-Funds. The Manager and the Trustee (collectively, the "Management") are responsible for the preparation of the financial statements.

### AIA Asia (ex Japan) Equity Fund

The investment objective of the Sub-Fund is to provide capital growth by investing in equities and equity related securities of companies in the Asia (ex Japan) region. The Sub-Fund seeks to achieve its objective through investing primarily (i.e. at least 70% of its latest available net asset value) in equities and equity related securities of companies in the Asia (ex Japan) region.

### AIA China Equity Fund

The investment objective of the Sub-Fund is to provide capital growth by investing in equities and equity related securities of Mainland Chinese and/or Hong Kong companies. The Sub-Fund seeks to achieve its objective through investing primarily (i.e. at least 70% of its latest available net asset value) in equities and equity related securities of Mainland Chinese and/or Hong Kong companies.

### AIA Greater China Equity Fund

The investment objective of the Sub-Fund is to provide capital growth by investing in equities and equity related securities of companies in the Greater China region. The Sub-Fund seeks to achieve its objective through investing primarily (i.e. at least 70% of its latest available net asset value) in equities and equity related securities of companies in the Greater China region.

### AIA Corporate Bond Fund

The investment objective of the Sub-Fund is to provide long term stable income by investing in debt securities issued by and/or guaranteed by corporations, financial institutions or non-government entities. The Sub-Fund seeks to achieve its investment objective by investing in a diversified portfolio with minimum credit rating requirement. The debt securities which the Sub-Fund may invest includes, but are not limited to, fixed and floating rate securities and convertible bonds. Also, the Sub-Fund may invest in debt securities issued by issuers worldwide and may invest in any country or region.

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 1. General information (Continued)

### AIA Government Bond Fund

The investment objective of the Sub-Fund is to provide long term stable income by investing in debt securities issued by and/or guaranteed by governments, central banks (or equivalent), multilateral international agencies or other securities fulfilling requirements set out in the Sub-Fund's investment policies. The Sub-Fund seeks to achieve its investment objective by investing in a diversified portfolio with minimum credit rating requirement. The debt securities which the Sub-Fund may invest includes, but are not limited to, fixed and floating rate securities and convertible bonds. Also, the Sub-Fund may invest in debt securities issued by issuers worldwide and may invest in any country or region.

### 2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

### (a) Basis of preparation

The financial statements of the Sub-Funds have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRS"). The financial statements have been prepared under the historical cost convention, as modified by the revaluation of financial assets and liabilities (including derivative financial instruments) at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRS requires the use of certain critical accounting estimates. It also requires the Management to exercise their judgment in the process of applying the Sub-Funds' accounting policies.

Standards and amendments to existing standards effective 1 January 2023

There are no standards, amendments to standards or interpretations that are effective for semiannual periods beginning on 1 January 2023 that have a material effect on the financial statements of the Sub-Funds.

New standards, amendments and interpretations effective after 1 January 2023 and have not been early adopted

A number of new standards, amendments to standards and interpretations are effective for semiannual periods beginning after 1 January 2023, and have not been early adopted in preparing these financial statements. None of these are expected to have a material effect on the financial statements of the Sub-Funds.

### (b) Foreign currency translation

### (i) Functional and presentation currency

AlA Asia (ex Japan) Equity Fund, AlA China Equity Fund and AlA Greater China Equity Fund The Manager considers that the United States Dollar ("US\$") is the currency in which AlA Asia (Ex Japan) Equity Fund, AlA China Equity Fund and AlA Greater China Equity Fund measure their performance and report their results, as well as the currency in which they determine the net asset value (the "NAV") per unit at the time of issue or redemption. The subscriptions and redemptions of the Sub-Funds' units are in the US\$. The financial statements of these Sub-Funds are presented in US\$ which is the Sub-Funds' functional and presentation currency.

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 2. Summary of significant accounting policies (Continued)

### (b) Foreign currency translation (continued)

### (i) Functional and presentation currency (continued)

### AIA Corporate Bond Fund and AIA Government Bond Fund

The Manager considers that the Hong Kong Dollar ("HK\$") is the currency in which AIA Corporate Bond Fund and AIA Government Bond Fund measure their performance and report their results, as well as the currency in which they determine the net asset value (the "NAV") per unit at the time of issue or redemption. The subscriptions and redemptions of the Sub-Funds' units are in the HK\$. The financial statements of these Sub-Funds are presented in HK\$ which is the Sub-Funds' functional and presentation currency.

### (ii) Translations and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign currency assets and liabilities are translated into the functional currency using the exchange rate prevailing at the reporting date.

Foreign exchange gains and losses arising from translation are included in the Statement of Comprehensive Income.

Foreign exchange gains and losses relating to cash and cash equivalents are presented in the Statement of Comprehensive Income within "Net exchange gain/(loss)".

Foreign exchange gains and losses relating to the financial assets and liabilities carried at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gain/(loss) on financial assets at fair value through profit or loss".

### (c) Financial assets at fair value through profit or loss

### (i) Classification

The Sub-Funds classify their investments based on both the Sub-Funds' business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed and performance is evaluated on a fair value basis. The Sub- Funds are primarily focused on fair value information and use that information to assess the assets' performance and to make decisions. The Sub-Funds have not taken the option to irrevocably designate any equity securities as fair value through other comprehensive income. The contractual cash flows of the Sub-Funds' debt securities are solely principal and interest, however, these securities are neither held for the purpose of collecting contractual cash flows nor held both for collecting contractual cash flows and for sale. The collection of contractual cash flows is only incidental to achieving the Sub-Funds' business model's objective. Consequently, all investments are measured at fair value through profit or loss.

The Sub-Funds' policy requires the Manager to evaluate the information about these financial assets and liabilities on a fair value basis together with other related financial information.

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 2. Summary of significant accounting policies (Continued)

#### (c) Financial assets at fair value through profit or loss (continued)

### (ii) Recognition, derecognition and measurement

Regular purchases and sales of investments are accounted for on a trade date basis — the date on which the Sub-Funds commit to purchase or sell the investments. Financial assets are initially recognized at fair value. Transaction costs are expensed as incurred in the Statement of Comprehensive Income.

Financial assets are derecognized when the rights to receive cash flows from the investments have expired or the Sub-Funds have transferred substantially all risks and rewards of ownership.

Subsequent to initial recognition, all financial assets at fair value through profit or loss are measured at fair value. Realized and unrealized gains and losses arising from changes in the fair value of the financial assets at fair value through profit or loss are presented in the Statement of Comprehensive Income within "Net gain/(loss) on financial assets at fair value through profit or loss" in the period in which they arise.

### (iii) Fair value estimation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of investments traded in active markets (such as publicly traded equities and debt securities) are based on quoted market prices at the close of trading on the reporting date. The quoted market price used is the last traded market price where the last traded market price falls within the bidask spread. In circumstances where the last traded price is not within the bidask spread, the Management will determine the point within the bidask spread that is more representative of fair value.

Investments which are not listed on an exchange or are thinly traded are valued by using quotes from brokers or based on the Manager's judgments and estimates. The fair value of debt securities, based on quoted market prices, excludes accrued interests, which was separately recognized and disclosed. The fair value of investments in investment funds that are not quoted in an active market is determined by reference to the latest available net asset value per share/unit for each investment fund, as determined by the administrator of such fund.

### (iv) Structured entities

A structured entity is an entity that has been designed so that voting or similar rights are not the dominant factor in deciding who controls the entity, such as when any voting rights relate to administrative tasks only and the relevant activities are directed by means of contractual arrangements. A structured entity often has some or all of the following features or attributes; (a) restricted activities, (b) a narrow and well defined objective, such as to provide investment opportunities for investors by passing on risks and rewards associated with the assets of the structured entity to investors, (c) insufficient equity to permit the structured entity to finance its activities without subordinated financial support and (d) financing in the form of multiple contractually linked instruments to investors that create concentrations of credit or other risks (tranches).

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 2. Summary of significant accounting policies (Continued)

### (c) Financial assets at fair value through profit or loss (continued)

### (iv) Structured entities (continued)

The Sub-Funds consider all of their investments in the underlying funds to be investments in unconsolidated structured entities. The Sub-Funds invest in underlying funds whose objectives range from capital preservation to capital appreciation and whose investment strategy does not include the use of leverage. The underlying funds are managed by related party fund managers and apply various investment strategies to accomplish their respective investment objectives. The underlying funds finance their operations by issuing redeemable shares which are puttable at the holder's option and entitles the holder to a proportional stake in the respective fund's net assets. The Sub-Funds hold redeemable shares in each of its underlying funds.

The change in fair value of each underlying fund is included in the Statement of Comprehensive Income in "change in unrealized gains/losses of financial assets at fair value through profit or loss".

### (v) Transfers between levels of the fair value hierarchy

Transfers between levels of the fair value hierarchy are deemed to have occurred at the date of the event or change in circumstances that caused the transfer.

### (d) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

### (e) Amounts due from/due to brokers

Amounts due from and to brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet settled or delivered on the statement of financial position date respectively. The due from brokers balance is held for collection. These amounts are recognized initially at fair value and subsequently measured at amortized cost. At each reporting date, the Sub-Funds shall measure the loss allowance on amounts due from broker at an amount equal to the lifetime expected credit losses if the credit risk has increased significantly since initial recognition. If, at the reporting date, the credit risk has not increased significantly since initial recognition, the Sub-Funds shall measure the loss allowance at an amount equal to 12-month expected credit losses. Significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganisation, and default in payments are all considered indicators that a loss allowance may be required.

If the credit risk increases to the point that it is considered to be credit impaired, interest income will be calculated based on the gross carrying amount adjusted for the loss allowance. A significant increase in credit risk is defined by the Management as any contractual payment which is more than 30 days past due. Any contractual payment which is more than 90 days past due is considered credit impaired.

The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The amount of the provision is recognized in the Statement of Comprehensive Income. Amounts due from brokers in the Statement of Financial Position are stated net of such provisions.

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 2. Summary of significant accounting policies (Continued)

#### (f) Cash and cash equivalents

Cash and cash equivalents comprise deposits with banks and other short-term investments in an active market with original maturities of three months or less.

### (g) Units in issue

The Sub-Funds have authorized multiple classes of redeemable units and each Sub-Fund issued one class during the period ended 30 June 2023, which is redeemable at the unitholders' option. All the classes are the most subordinate classes of financial instruments in the Sub-Funds and rank pari passu in all material respects and have the same terms and conditions other than that different classes of unit are denominated in different currencies. The redeemable units provide unitholders with the right to require redemption for cash at a value proportionate to the unitholders' units in the net assets of the applicable class of units of the Sub-Fund at the redemption date, and also in the event of the Sub-Fund's liquidation.

The redeemable units of the Sub-Funds are classified as equity.

### (h) Interest income

Interest is recognized on a time-proportionate basis using the effective interest method. Interest income includes interest from cash and cash equivalents and financial assets at fair value through profit or loss.

### (i) Dividend income

Dividend income is recorded on an ex-dividend basis. Dividend income on equity securities where no ex-dividend date is quoted is accounted for when the Sub-Funds' right to receive payment is established.

### (j) Expense

Expenses are accounted for on an accrual basis.

### (k) Transaction costs

Transactions costs are costs incurred to acquire financial assets or liabilities at fair value through profit or loss. They may include all stamp and other duties, taxes, governmental charges, brokerage commissions, exchange costs and commissions, bank charges, transfer fees and expenses, registration fees and expenses, transaction fees of the Trustee, and any other costs, charges or expenses payable in respect of the acquisition, holding and realization of any investment.

Transactions costs on financial assets and financial liabilities at fair value through profit or loss, when incurred, are immediately recognized in the Statement of Comprehensive Income as an expense.

# NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2023

### 2. Summary of significant accounting policies (Continued)

### (I) Taxation

The Sub-Funds are exempted from Hong Kong profits tax due to the authorization under section 104 of the Hong Kong Securities and Futures Ordinance under Section 26A of the Hong Kong Inland Revenue Ordinance.

The Sub-Funds currently incur withholding tax imposed by certain countries on investment income. Such income is recorded gross of withholding tax in the Statement of Comprehensive Income. Withholding tax is included under "Withholding tax expenses" in the Statement of Comprehensive Income.
